

Digital Mental Health for LGBTIQ+ People

HOW CAN DIGITAL MENTAL HEALTH HELP?

People who are gender, bodily or sexually diverse, or questioning are at an increased risk for mental health problems and often face unique challenges. Online websites, phone counselling services and digital programs offer privacy and sensitivity to issues that are commonly faced by the LGBTIQ+ community.

Head to Health

A good place to start looking is the Australian Government's digital mental health gateway.

Head to Health

Head to Health is the Australian Government's searchable portal that brings together information, apps, online programs, online forums, and phone services from Australia's most trusted mental health organisations. Whether you're searching for mental health information for yourself or someone else, or just wanting tips on how to maintain your self-care and wellbeing, Head to Health is the place to start.
