☎ 1800 737 732 (24/7)

Phone, video, SMS and webchat counselling for anyone who has experienced or is at risk of experiencing domestic, family, or sexual violence.

Digital Social and Emotional Wellbeing Resources

Digital social and emotional wellbeing resources use online programs and tools, apps, and other phone and video-based platforms to deliver support.

There are a number of excellent digital tools designed by and for Aboriginal and Torres Strait Islander People of all ages who are struggling with maintaining a healthy mind and body, connecting to Country and culture or who are having community or relationship challenges.

These resources are free or low cost, and easy to access at a time that suits you, with just a phone or an internet connection. Digital resources can be used alone or in combination with a health worker.

WellMob

Digital social, emotional and cultural wellbeing resources for Aboriginal and Torres Strait Islander People.

This brief guide provides a list of digital mental health resources suitable for Aboriginal and Torres Strait Islander People. This list is not exhaustive and represents only Australian products. For other relevant resources see WellMob.

This guide is for general information purposes only and is not a substitute for professional mental health advice. For more information on mental health assessment or treatment, visit your GP, other mental health professional or Indigenous Health Worker.

This brochure is not to be used for commercial purposes.
